We, Fantasy-Shrine have decided to release our own yaoi translations. So if you want to host our projects on your website/forum, please fill out the form in the Rules and Recruitment thread under the Fantasy Shrine Manga Projects subforum before you began to host any of our projects.

If we find any projects hosted anywhere (this includes MIRC) without premission before registration, we will immediately erase that project title.

Therefore please be responsible and respectful to our dedicated hardwork. Its common courtesy. Thanks and Enjoy another release!
